# TEAM FORMATION

**Teams will be formed from registrations on a 'first come, first served' basis; priorities are as follows:**

1. Players are placed on their parent/guardian's team if the parent/guardian wishes to coach.
2. Players are placed on teams by school, when possible.
3. Players turn all registrations & payments in together and have been approved by AYS fast pitch director.
4. Players are placed on teams with their requested coach or player, if possible.

**Example:** If 20 players request the same team, the coach's child & the first 14 registrations will be placed on the team (all requests are honored on a 'first come, first served' basis).

Due to the nature of the sport of fast pitch softball, players should be comfortable with the basic skills associated with softball as a pre-requisite before considering to register for this league, i.e this is not an appropriate league for girls to learn the basics of catching, throwing or batting. Call 474-4231 to discuss individual situations.

The policy of AYS & the APD is to honor registrations of Anderson Township & Forest Hills School District residents first. Individual consideration is given to non-residents; such decisions may be made after the registration deadline.
